

LANSING

MAKERS NETWORK

UNLEASH YOUR
CREATIVITY!

CREATE

From simple hand-tools and power-tools to CNC machines and lasers, we have 8 different departments with tools and expertise to help you make nearly anything.

LEARN

Discover new skills and gain hands-on experience. Our workshops offer personalized guidance from experienced instructors to help you bring your ideas to life.

EXPLORE

Surround yourself with like-minded makers from different backgrounds and skill levels. Share ideas and advice that help drive your skills forward.

EMPOWER

Join our volunteer program and help shape the future of our makerspace while expanding your own skills.
